

Helping young children and families connect to the support they need to grow and thrive.

What is Help Me Grow Butte?

Help Me Grow Butte is a no-cost service available to families with children aged 0-5.

Development

Promotes developmental screenings and helps families determine what resources will be most appropriate to support their needs.

The Village

A new service in Butte County to help connect families with home-based programs that offer personalized parenting support.

And More!

Help Me Grow Butte is constantly seeking new ways to support families, check our website for an up-to-date list of services.
